

Youth Volunteers

Boys and girls that are relatives of an active or retired National Guard member between the ages of 14 to 18 are welcome to participate in Kids Kamp as Youth Leaders or Youth Volunteers. Kids Kamp experience is nice, but not required. We look forward to working with you!

Volunteering

Adult Volunteers

Adults (parents, grandparents, friends or others) that would like to volunteer their time at Kids Kamp are appreciated. There are many different areas where volunteers are needed, from helping with activities to being a group leader. You can volunteer for the entire week or just a day or two. There is daycare available to those who would not be able to help otherwise. Daycare is for children up to age 8. Any and all help is welcomed!!

Help us make Kids Kamp a success this year by volunteering your time and talents.

Oklahoma National Guard Youth Workshop

KIDS KAMP 2006

25 June—1 July 2006
Camp Gruber, Braggs, OK

What's It All About?

Our number one goal during Kids Kamp is to provide a week full of fun, education

and uplifting experiences. Kid's Kamp supports families of the Oklahoma National Guard. Each summer it is held at Camp Gruber. The children will stay in the barracks all week, eat in the mess hall, do

physical training and have a flag ceremony early each morning. They will basically imitate a small portion of military life.

What Will We Learn?

The children will gain a little insight into what their family member does while working in the Oklahoma National Guard. In so doing they will learn pride, self-confidence, team work, and esprit de corp.

- Outdoor/Indoor Activities
- Drill and Ceremony
- Night Vision Activity
- Compass Course
- Rappelling
- Swimming at the Pool
- Swimming at the Lake
- Team Building Activities
- STARBASE Oklahoma
- Arts and Crafts
- Make New Friends

What Will We Do?

Who Can Participate?

We invite all boys and girls that are the child, grandchild or legal dependant of an active or retired Oklahoma National Guard member. The child must be between the ages of 9 to 13 to be a Kamper or between the ages of 14 to 18 to be a Youth Volunteer. We also welcome parents or any adults that would like to volunteer their time at this year's Kids Kamp!

Where is it?
